You can afford the Volkswagen you couldn't even afford to think you could afford.

Obviously, it's in our interests as well as yours to make our finance packages affordable. So affordable, in fact, you might be tempted to lower your repayment or shorten your agreement period or even go for a higher specification model. For more details, see your nearest retailer or visit www.volkswagen.co.uk. Volkswagen synonymous with affordability? Now there's a thought.

Finance

Indemnities may be required. Subject to status. Available to over 18s.
Volkswagen Finance is a trading name of Volkswagen Financial Services (UK) Limited, Freepost VWFS.

As individual as you are.

Personalise your Volkswagen with a range of retailer fitted accessories. Pick up an accessories brochure for full information on accessories such as Bluetooth telephone kits, iPod connectivity, roof bars, carpet mats and much more. Our brochures include fully fitted prices* and you can even include accessories within your finance deal to spread the cost. If a genuine accessory is fitted prior to collection (pdi), you will also benefit from a 3-year Volkswagen warranty.

* Where fitting costs are applicable, and unless stated otherwise.

Main items of standard specification.

Standard items of equipment S, S BlueMotion Technology

Volkswagen service

- 3-year/60,000 miles warranty (whichever is soonest)
 - 3-year paintwork warranty
 - 12-year body protection warranty
 - Volkswagen Roadside Assistance
- Please see page 10 for more details

Interior

- Chrome-plated gear knob surround and handbrake button
- 'Matt Chromium' decorative inserts in dash and door panels
- Three-spoke steering wheel
- Upholstery - 'Cardeol' cloth

Exterior

- 6½J x 16 steel wheels with 205/55 R16 tyres
- Black radiator grille surround and louvres
- Body-coloured bumpers and door handles
- Body-coloured door mirrors with integrated indicators incorporating LED technology
- Full size wheel trims
- Galvanised body
- Halogen clear headlights, range adjustable with daytime running lights
- Heat insulating tinted glass

Function

- Air conditioning, 'Climatic' semi-automatic control
- Alarm with interior protection
- Automatic boot opening
- Cup holder in front centre console and rear tray
- Driver's and front passenger's seat height adjustment
- Dust and pollen filter
- Electric windows, front and rear
- Electrically heated and adjustable door mirrors
- Electronic engine immobiliser
- Exterior temperature gauge
- Folding rear seat backrest
- Full size steel spare wheel
- Glovebox, cooled, lockable and illuminated
- Heated rear window with timer deactivation
- Height and reach adjustable steering wheel
- Hill hold function

Function (continued)

- Instrument lighting, white adjustable panel illumination
- Interior lighting with delay
- Luggage compartment light
- Multifunction computer (Midline)
- Power-assisted steering, speed-sensitive
- RCD 210 radio/MP3 compatible CD player with 4 speakers, front
- Reading light, front
- Remote central locking with 2 folding keys
- Storage compartments in front doors (for 1.0 litre bottle)
- Vanity mirrors, illuminated
- Warning 'lights on' buzzer

Safety

- ABS (Anti-lock Braking System) with HBA (Hydraulic Brake Assist)
- Brake pad wear indicator
- Curtain airbag system, for front and rear passengers
- Disc brakes, front and rear (front ventilated)
- Door side impact protection
- Driver's and front passenger's airbags with passenger's airbag deactivation switch
- Driver's and front passenger's whiplash-optimised head restraints
- ESP (Electronic Stabilisation Programme) including EDL (Electronic Differential Lock) and ASR (Traction Control)
- Front seat side impact airbags
- Height-adjustable front three-point seat belts with tensioners
- High level 3rd brake light
- Rigid safety cell with front and rear crumple zones
- Warning buzzer and light for front seat belts if unfastened
- Reflectors in all doors
- 3 rear head restraints
- 3 rear three-point seat belts

S BlueMotion Technology models only

- 6½J x 16 steel wheels with 205/55 R16 low rolling resistance tyres
- Battery regeneration (recuperation - energy recovery during braking)
- Start/Stop function
- Unique 'BlueMotion Technology' badging

Additional items of equipment SE, SE BlueMotion Technology (over S)

Exterior

- Alloy wheels, four 6½J x 16 'Navarra' with 205/55 R16 tyres and anti-theft wheel bolts

Interior

- Front comfort seats with height and lumbar adjustment
- Leather trimmed three-spoke multifunction steering wheel, gear knob and handbrake grip
- 'Pyramid Black' decorative inserts in dash
- Upholstery – 'Sienna' cloth

Function

- Cruise control
- Front centre armrest with storage compartment, two rear air vents and cup holders
- Front seat back storage pockets
- Load-through provision
- Multi Device Interface (MDI) with USB and iPod connection cables

Function (continued)

- RCD 310 radio/MP3 compatible CD player with 8 speakers and AUX-in socket for connection to an external multimedia source (e.g. iPod and MP3 player)
- Rear centre armrest and two cup holders
- Smoking pack
- Split folding rear seat backrest 60:40
- Storage compartment in roof console for sunglasses
- Two-tone horn
- 12V socket in luggage compartment

SE BlueMotion Technology models only

- Alloy wheels, four 6½J x 16 'Navarra' with 205/55 R16 low rolling resistance tyres and anti-theft wheel bolts
- Battery regeneration (recuperation – energy recovery during braking)
- Multifunction computer (Highline), includes visual gear change recommendation for optimum fuel consumption
- Start/Stop function
- Unique 'BlueMotion Technology' badging

Additional items of equipment Sport, Sport BlueMotion Technology (over SE)

Exterior

- Alloy wheels, four 7J x 17 'Queensland' with 225/45 R17 tyres and anti-theft wheel bolts (not BlueMotion models)
- Chrome strip on side window base
- Heat insulating tinted glass 65% light absorbing from B pillar backwards

Interior

- Carpet mats, front and rear
- Front sport seats with height and lumbar adjustment
- 'Iridium' decorative inserts in dash and centre console
- Upholstery – 'Gloss' seat centre section and 'Microfibre' side bolsters

Function

- Automatic coming/leaving home lighting function
- Automatic dimming interior rear-view mirror
- Dusk sensor, automatic driving lights
- Flat tyre indicator

Function (continued)

- Front fog lights including static cornering function
- Front footwell illumination
- Headlight washer system
- Low washer fluid warning light
- Rain sensor
- Sports suspension, lowered by approx. 15 mm (not Sport BlueMotion Technology)
- Temporary steel spare wheel (in conjunction with 17" 'Queensland' alloy wheels only)

Sport BlueMotion Technology models only

- Alloy wheels, four 6½J x 16 'Atlanta' with 205/55 R16 low rolling resistance tyres and anti-theft wheel bolts
- Battery regeneration (recuperation – energy recovery during braking)
- Multifunction computer (Highline), includes visual gear change recommendation for optimum fuel consumption
- Start/Stop function
- Unique 'BlueMotion Technology' badging

The above specifications are for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Factory-fitted options.

At Volkswagen, we work towards making sure that our cars are as close to perfection as we can make them. However, no matter how good our cars are, we know that they will never be exactly what you want in every detail.

Hence the exceptional range, style and quality of our factory-fitted options. So that if you find any particular part of your Volkswagen needs a little something to make it match your desires precisely, this is precisely where you will find it.

Alloy wheels and sports packs

Add a touch of style and personality with this great choice of alloys. Alloys add a distinctively sporting look to your car, carefully chosen to enhance the exterior styling of every model, these options give you plenty of opportunity to express your individuality and transform the appearance of your Jetta.

01 'Queensland' 7J x 17 alloy wheels.

Comfort and convenience

The importance of comfort and convenience cannot be over-emphasised. Choose from this range of factory-fitted options to create an interior that meets your individual needs, and makes life just that little bit more comfortable and convenient. 2Zone electronic climate control, electric sunroof or Winter pack, these essential luxuries are designed to help you relax and take the stress out of driving, adding not only a touch of luxury, but also providing invaluable practical assistance.

Exterior

The exterior styling of a car is not only an expression of its personality, but makes a powerful statement about your own individuality and taste. These factory-fitted options provide an easy and effective way to create a striking visual appearance with great aesthetic appeal, while enjoying some important practical benefits. From heat insulating tinted glass to front fog lights, choose the options best suited to your needs and enhance not only your new Jetta's exterior looks, but your driving experience too.

02 Front fog lights.

In-car entertainment and communications

When it comes to in-car entertainment systems and communications packages, those looking to install a technologically advanced or upgraded system are spoilt for choice. Whether you require upgraded acoustics or the latest DVD touch-screen navigation/radio system, these factory-fitted options provide the ultimate in advanced electronics, state-of-the-art technology and connectivity. Choose the system that best meets your needs, then sit back and enjoy the benefits.

03 RNS 510 DVD touch-screen navigation/radio system.

Safety and security

Safety and security have to be a primary consideration, for only when you are feeling totally safe and protected can you completely relax. Whether you are looking to ensure the safety of your passengers, enhance rear safety or make life just that little easier, this range of safety and security features will help you protect passengers and make your new Jetta more secure, enabling you to enjoy the driving experience so much more.

04 Parking sensor pack.

Steering wheels

A multifunction leather trimmed steering wheel including Highline multifunction computer not only adds a touch of elegance and style, but enables you to control a diverse range of functions with the greatest of ease. Everything is to hand and intuitively where you would expect it to be, allowing you drive in a totally relaxed manner, while enjoying all the benefits of advanced technology.

Leather upholstery

The interior of your car is all about aesthetics and luxury, leather upholstery enables you to create a sumptuous interior that is tasteful, elegant and attractive, meeting your individual needs perfectly, and providing the highest levels of comfort and driving pleasure. Sit back, relax and enjoy your surroundings.

() Automatic figures.

A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming.

* Fuel consumption figures shown are mpg/ltr per 100 km for the Urban, Extra-urban and Combined fuel cycles in accordance with EU Directive 99/94.

† These engines will be introduced on vehicles from Summer 2011 onwards. Please consult your Volkswagen retailer for full details.

Vehicle Excise Duty (VED).

On 1 May 2009, there was a change to the Vehicle Excise Duty (VED) tax bands. Cars are taxed according to their CO₂ emissions, in bands A to M.

All vehicles first registered on, or after, 23 March 2006 are subject to a new form of VED (Road Fund Licence). This new duty is based upon the type of fuel the vehicle uses and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). To help you identify the duty you will pay, the DVLA has created thirteen categories for petrol engines and thirteen categories for diesel engines.

Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO₂ emissions produced.

The CO₂ and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

VED band 'First year rate'

As of 1 April 2010, anyone buying a new car will pay a 'First year rate' of VED for the first Road Fund Licence. The chart below shows the VED bands and the charges which are levied:

VED band 'First year rate'

VED band	CO ₂ emissions (g/km)	Petrol VED £	Petrol total 'On the road' costs £	Diesel VED £	Diesel total 'On the road' costs £
A	Up to 100	0.00	586.00	0.00	586.00
B	101-110	0.00	586.00	0.00	586.00
C	111-120	0.00	586.00	0.00	586.00
D	121-130	0.00	586.00	0.00	586.00
E	131-140	115.00	701.00	115.00	701.00
F	141-150	130.00	716.00	130.00	716.00
G	151-165	165.00	751.00	165.00	751.00
H	166-175	265.00	851.00	265.00	851.00

L	226-255	445.00	445.00
M	Over 255	460.00	460.00

Six months' VED (Road Fund Licence)

As of 1 April 2010, six months' Road Fund Licence will not be available for some vehicles at first registration. VED rate for bands A-D is zero and will not be eligible for a six-month Road Fund Licence at first registration. VED rate for bands E-G will be eligible for a six-month Road Fund Licence at first registration. VED rate for bands H-M will not be eligible for a six-month Road Fund Licence at first registration.

Subsequent year's VED (Road Fund Licence)

Vehicles with a VED rate of £55 or above will be eligible for a six-month Road Fund Licence.

VED 'First year rate' refund

Refunds on a vehicle's Road Fund Licence in bands H-M will only be calculated on the basis of the 'First year rate' if the vehicle has been stolen, scrapped or moved into a tax class where no VED is payable (e.g. cars for the registered disabled).

If the refund is being applied for because the vehicle has been sold, exported or taken off the road, it will be calculated according to the 'Standard rate' of VED applicable to that vehicle.

VAT is calculated at 20%.

Effective from 1 April 2011.

The Volkswagen service, for your peace of mind.

The Volkswagen Warranty

Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised Volkswagen retailer or repairer; however, this additional warranty must be purchased before the mileage reaches 60,000*. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

* All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Body Protection Warranty

The internal body sections and panels of the New Jetta are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty

This latest warranty, pioneered by Volkswagen, really provides you with the widest possible cover on a new car.

There are no special conditions attached and paintwork manufacturing defects will be rectified without charge. Naturally, during the warranty period the car must be cared for in compliance with the operating instructions.

Extended warranty

You may purchase additional protection from your authorised Volkswagen retailer or repairer, or contact 0870 9000 115.

Service Intervals

Volkswagen are pleased to offer you a choice on how your New Jetta is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Time and Distance Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Time and Distance Service are as follows:

- Oil change service Every 10,000 miles/1 year (whichever is soonest).
- Interval service Every 20,000 miles/2 years (whichever is soonest).
- Inspection service Every 40,000 miles/3 years (whichever is soonest).

The LongLife Service is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

With the LongLife Service the vehicle can cover anywhere between 10,000[†] and a maximum of 18,000[†] miles or 24 months (whichever is soonest) between oil changes. Inspection service is typically in the third year of ownership and thereafter every second year, for vehicles with an approximate annual mileage of 10,000 miles.

[†] Please note that mileages are approximate as the service indicator system uses kilometres as the distance measurement.

Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Volkswagen Insurance[‡]

We want you to start enjoying your new car from day one and thanks to Volkswagen Insurance complimentary seven day cover, you can. Call free on 0800 316 7892 (lines are open Monday to Friday 8 am - 9 pm and Saturday 9 am - 5 pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

Volkswagen Finance[±]

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a personal contract plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

[±] Volkswagen Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions.

Available to people over 18 in the UK only.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg and Phaeton which are registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

Prices and specifications

The prices and specifications contained in this brochure are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

Effective from 1 April 2011.
